

I AM ASKING YOU TO REJECT PETITION 04-160. I PAY FOR SATELLITE RADIO. I DON'T USE THE TRAFFIC REPORTS. BUT THE LOCAL WEATHER IS VERY IMPORTANT TO ME. I DON'T THINK THE FCC HAS THE RIGHT TO GOVERN THIS ISSUE ANYWAY. THIS IS A SUBSCRIPTION SERVICE. THEY SHOULD BE ABLE TO PROVED WHATEVER PROGRAMING THEY WANT. I THINK IT IS TIME THE GOVERNMENT LET PROGRESS DO IT'S THING. THEY CAN'T RUN EVERYTHING. XM SATELLITE IS THE BEST THING TO COME ALONG SINCE SATELLITE TV. WHICH I AM A 10 YEAR USER. AND I WAS SO PLEASED TO GET MY LOCAL DES MOINES CHANNELS ON SATELLITE. WE LIVE 100 MILES FROM DES MOINES. NO TV PICTURE. HAD TO GET CABLE SO WIFE COULD WATCH THE LOCAL NEWS. WE PAID AN EXTRA \$30.00 DOLLARS A MONTH FOR 17 CHANNELS THAT NEVER CAME IN. NOW I CANCELED CABLE. AND FOR AN EXTRA FEW DOLLARS A MONTH I GET LOCAL CHANNELS. THE FCC LOST THAT BATTLE. THEY NEED TO LOSE THIS ONE. AND LET PROGRESS TAKE ITS COURSE. SO VOTE NO. THANK YOU DALE NADWODNY
